

**INGREDIENTS per 20g**

Biotin	15 mg
Lecithin	500 mg
Methionine	1250 mg
Lysine	1450 mg
Glycine	12500 IE
Tyrosine	2500 IE
Vitamin A	62,5 mg
Vitamin D	400 mg
Zinc kelaterad	73 mg
Magnesium	118 mg
Phosphorus	1250 mg
Calcium	
MSM	

COMPOSITION:

Dextrose/Brewers Yeast

DURABILITY

24 month. See best before date

STORAGE

Store in a dark, cool and well sealed.

Hoof

Improves hoof growth and strength

A feed supplement with biotin, zinc, MSM and selected amino acids, all substances in the hoof structure. Zinc is in a chelated form (bound to protein) that is easily absorbed. Biotin is recognised as a good supplement for horses with poor hoofs. VIMITAL Hoof is a complete supplement with biotin and all other substances needed to build good hoof growth.

Has shown to have a very good effect on horses with poor hoof quality and growth. Reduces the risk of hoof cracks and often gives a clear "before-after" boundary when the hoof grows. Recommended when biotin supplements do not give the desired effect.

Usage

Have shown very good effect on horses with poor hovkvalitet and growth. Reduces the risk of hovsprickor and often gives a clear "before-after" boundary when the hoof grows out.

Recommended when supplements of biotin alone did not give the desired effect.
