Store in a dry, cool and well sealed.

Multi Pro Balance

Vitamins and micro minerals

Vital Multi Pro Balance contains all important vitamins and micro-minerals the horse requires, based on modern horse management and recent research on the deficiencies of nature.

It is formulated in molasses for extra palatability.

Usage

Multivitamin supplement feed and micro mineral for horses in the environment or food chain. For horses in training and competition as well as older horses given VITAL Multi to maintain availability of all essential vitamins and micro minerals and avoid dips in the body's ability to recover quickly.

VITAL Multi Pro Balance is carefully formulated to provide the right balance of supplements and avoid potential overdosing of individual substances.
