Chlorhexidine Spray

4% with moisturizing agents

RADICIN Chlorhexidine Spray - an antiseptic spray for disinfection and cleaning of damaged skin on animals. Ideal for minor skin lesions or rash, in fur and paws. Contains moisturizing agents for repeated treatments.

Can be sprayed with the bottle upside down.

Usage

Ready to use.

Clean the damaged skin from loose dirt.

Spray directly on and around the injury.

Be careful not to spray in the eyes and inside the ears.
