

**DURABILITY**  
24 month. See best before date.

For external use only.  
Keep out of reach of children.

## Hand wash 70%

Disinfecting and moisturizing

RENONS HANDWASH is composed of three different alcohols with ethanol as a main component. Alcoholic strength is 70 vol%. Works quickly and does not stick after evaporation.

The addition of glycerin moisturizing agents make the skin retain its natural moisture and prevents dehydration.

### Usage

Before clean and after dirty work. Alcolgel prevent the spread of infection. For best effect use first soap. Then rub with AlcoGel - also between fingers. Let air dry.
