## Alcogel 85%

Germicidal gel to disinfect hands

RENONS Alcogel is a fast-acting, non-stick antibacterial gel to disinfect hands. Does not dry the skin but maintain its natural moisture balance by the addition of glycerin.

RENONS Alcogel is effective against bacteria, fungi, and some viruses.

### Usage

Before clean and after dirty work. Alcogel prevent the spread of infection.  
For best effect use first soap.  
Then rub with AlcoGel - also between fingers.  
Let air dry.

### Product Range
