SHELF LIFE

24 months. See best before date.

STORAGE

Store dark, cool and well sealed

Flaxseed Oil

High in Omega 3 and 6

Cold pressed flaxseed oil with a high content of gentle energy. Flaxseed oil is rich in omega 3 and omega 6 and can contribute to minimizing inflammations and has a positive effect on skin and coat. Addition of the antioxidant vitamin E lowers the risk for rancidity and contributes to removing waste products from muscles.

FEEDING GUIDE

For horses with gastrointestinal disorders

Improves coat quality

For horses in need of more energy in the feed ration

FEEDING DIRECTIONS

5- 20 ml per 100 kg of body weight. Ex. Horse 500 kg 0,5-2 dl / day.

The total daily intake of fat should not be more than 100 g per 100 kg horse.
